

## **ALLOTMENT OF STALLS AND SHOPS AT COMMUNITY MARKETS AT NEW TOWN KOLKATA**

New Town Kolkata has been developed by the Government of West Bengal as a new satellite township to channelize the huge growth of population in the Kolkata Metropolitan Agglomeration area. At present nearly 50,000 people reside in this township and around 50000 more are commuting here daily for their occupational purpose. With a view to meet the day-to-day requirements of those people, New Town Kolkata Development Authority (NKDA) has taken initiative to construct number of community markets spreading through Action Area- I, II & III based on the design selected for those markets through open competition among renowned architects and designers to maintain the aesthetic look of the markets as well as to make the markets spacious, airy, clean and green.

Already construction, distribution and making over of the position of three community markets in Action Area IA, IB & IC has successfully completed. Now NKDA is in a position to distribute the stalls and shops in the newly constructed four markets in Action Area IC(CB Block), ID(DB Block), IIC and IID.

In each market, provisions have been made for different categories of stalls and utility shops. There will be vegetable stalls, egg stalls, fish stalls, meat and chicken stalls, fruit stalls and flower stalls in each market. There are provisions for many utility shops in all three markets, viz., stationary shops, grocery shops, electrical and electronics items shops, polyclinic-cum-diagnostic centre, gift/cosmetics shops, sweets shops, food / confectionary shops, medicine shops, salon / barber shops, laundry, kitchen appliances / utensils shops, even dashakarma shop or hardware shops. That is, in a word, it has been planned to accommodate almost all types of stalls and shops under one roof to make those markets the destination for one-stop venue for all needs of a household.

All stalls and 30% of utility shops are reserved for Project Affected Persons (PAP) of New Town Project and balance 70% shops have been kept open for general applicants. All stalls and reserved shops will be allotted to such Project Affected persons at a subsidized rate. Allotment will be made for 33 years lease basis. Selection of successful applicants will be made on the basis of lottery.
