    - iii) Joint Ventures/MOU will not be allowed.
    - iv) Sub-contracting will be allowed in the execution stage subject to acceptance of the financial and technical profile of the sub Vendor by the Executive Engineer I of New Town Kolkata Development Authority.
    - v) Three consecutive years' Audit report to be submitted along with Tender documents.
8. Similar work means
- i) Work involving construction of cycle stands/bus passenger shelters at road side locations with roof top solar power generation system  
OR
  - ii) Construction of road side utilities with roof top solar power generation system  
OR
  - iii) Construction of building with roof top solar power generation system.
9. On-going payments for work may be allowed to the executing agency as per existing rules. Subject to deduction of security deposit, progressive payment may be made against the completed or partly completed item of works. Such interim payments, shall be made as running account bill (s), however, shall not be construed to mean that the respective items / components have finally been approved and accepted by NKDA and the contractor shall not be absolved of his responsibility to set right any deficiency of such paid items / components at his/ their own cost, for rectifying all defects which are subsequently being noted or found.
10. No claim for interest or compensation will be entertained in respect to any money or balance of payment which may be due or alleged to be due to the contractor owing to any dispute between the contractor and NKDA or in respect to any delay in making payment of progressive or final bill of the work, to the contractor.  
Payment for the works done by the contractor will be based on recorded and accepted measurement at various stages of work. Acceptance of measurements put for payment to be invariably made

by putting signature (with seal) of the contractor (or his/ their authorized representative). The contractor or his / their authorized representatives are advised to take measurements jointly with the officials of NKDA. In case of failure on his/their part either to take measurement jointly and /or acceptance of the recorded measurement, within a reasonable time, measurement taken by the department shall be considered as final for making payment. Similar acceptance is also essential for level records and survey data, field books etc.

11. **No advance and secured advance will be allowed.** However Part payments may be allowed on delivery of materials, as decided by EIC.
12. **Idle labour, idle rent and hire charges etc.:**  
No claim of any category and type, on this ground shall be entertained. The contractor and NKDA shall make every effort that such situation does not arise.
13. **Testing and Testing Equipments:** Testing of materials, to be used in work and the quality of finished work on quality control aspect, is to be undertaken by the contractor at their own cost, with facilities provided at site and / or through approved (by NKDA) Test Houses / Laboratories. All materials and workmanship shall be in accordance with the specifications laid down in the contract and also as per P.W.D.( Buildings& Road Scheduled) and IS Codes . The Engineer-in-Charge reserves the right to test, examine and measure the material / workmanship direct at the place of manufacture, fabrication or at the site of works or any suitable place. The contractor shall provide such assistance, instrument machine, labour and materials as the Engineer-in- Charge may require for examining, measuring and testing the works and quality, weight or quantity of materials used and shall supply samples for testing as may be selected and required by the Engineer-in-Charge without any extra cost. Beside this, he/they will carry out tests from outside Laboratory as per instruction of Engineer-in-Charge. The cost of all such tests would be borne by the agency.

Should the Chief Engineer or his representative consider it necessary to satisfy himself/themselves as to quality of work, the contractor shall offer sample of work done as necessary, pull down reasonable part of the work required for inspection and testing. The contractor shall bear the cost of pulling down and shall make good the same at their own cost and to the full satisfaction of E-I-C without any claim for payment.

**14. Security Deposit:**

Retention money towards performance Security amounting to 8% (eight percent) of the value of the work shall be deducted from the running account bill of the tenderer as per prevailing order. No interest will be paid on the money retained for Security Deposit.

**15. Date and Time Schedule:**

19. The Bidder, at his own responsibility and risk is encouraged to visit and examine the site of works and its surroundings and obtain all information that may be necessary for preparing the Bid and entering into a contract for the work as mentioned in the Notice Inviting Tender, before submitting offer with full satisfaction. The cost of visiting the site, shall be at his own expenses.
20. The intending Bidders shall clearly understand that whatever may be the outcome of the present invitation of Bids, no cost of Bidding shall be reimbursable by the Department. New Town Kolkata Development Authority reserves the right to accept or reject any offer without assigning any reason whatsoever and is not liable for any

- reimbursement of any cost that might have been incurred by any Tenderer at any stage of Bidding.
21. Prospective applicants are advised to note carefully the minimum qualification criteria before tendering the bids.
  22. **Conditional / Incomplete tender will not be accepted under any circumstances.**
  23. **The intending tenderers are required to quote the rate *online*. The rate should be inclusive of all components and taxes.**
  24. Contractor shall have to comply with the provisions of (a) the contract labour (Regulation Abolition) Act. 1970 (b) Apprentice Act. 1961 and (c) minimum wages Act. 1948 and the notification (s) thereof or any other laws relating thereto and the rules made and order issued there under from time to time.
  25. During scrutiny, if it comes to the notice of the tender inviting authority that the credential or any other paper found incorrect / manufactured / fabricated, that bidder would not be allowed to participate in the tender and that application will be rejected without any prejudice.
  26. If there be any objection regarding prequalification of any Agency the same should be lodged on line to Executive Engineer I, New Town Kolkata Development Authority within 2 (*two*) days from the date of publication of list of qualified agencies and beyond the said time schedule no objection will be entertained
  27. Before issuance of WORK ORDER, the Tender Inviting Authority may verify the credential and other documents of the lowest tenderer if found necessary. After verification if it is found that the documents submitted by the lowest tenderer is either manufactured or false in that case work order will not be issued in favour of the said Tenderer under any circumstances and his/their offer will be treated as cancelled.
  28. If any discrepancy arises between two similar clauses on different notification, the clause superseding others will be solely as per the discretion of the Tender inviting authority
  29. The successful Tendered whose tender is accepted shall make formal agreement in WBF 2911 (ii) along with bid documents in triplicate, within 7 (seven) days from the date of issue of work order by Executive Engineer II, New Town Kolkata Development Authority on payment of usual charges which is non-refundable under any circumstances and submit the same duly signed by him/them to this office. If the contractor fails to perform the formalities within the specified period the Tender is liable to be cancelled and the Earnest Money will be forfeited as per relevant clauses under memorandum of WBF 2911(ii).
  30. Qualification criteria:  
The tender inviting and Accepting Authority will determine the eligibility of each bidder. The bidders shall have to meet all the minimum criteria as stipulated in relevant clauses of this NleT.
  31. The eligibility of a bidder will be ascertained on the basis of the document(s) submitted in support of the minimum criteria. If any document submitted by a bidder is either manufactured or false, in such cases the eligibility of the bidder / tenderer will be rejected at any stage without any prejudice to take any penal action against him/them as may be deemed fit by the Tender Accepting Authority.

AND

The agency must have the capacity to engage laborers as directed by EIC.

32. The agency should supply the materials as per confirming to IS mark and specification laid down in schedule and also to be taken joint approval from EIC / his representatives & technical authorities of NKGSCCL before utilize in work.
- 33. No. price preference and other concession as per order no. 1110F dated: 10/02/2006 will be allowed.**
34. Agencies are required to give a work programme preferably in the form of a bar- chart and to get it approved by the EIC (Engineer-in-Charge) before commencement of work and if progress of work abruptly differs from such work programme, the undersigned may terminate the work order at any point of time and penal action as per Tender Terms and conditions will be imposed.
35. Unless otherwise stipulated, all the works are to be done as per general conditions and general specifications of the latest edition of 'PWD (W.B) schedule of Rates for Building, Roads, and Sanitary Plumbing' works for the working area.
36. In case of any inadvertent typographical mistake in the specific price schedule of rates, the same will be treated to be so corrected as to confirm with the prevailing relevant schedule of rates and/or technically sanctioned estimate.
37. Intending tenderer should note that he may have to work simultaneously with other contractors already entrusted with other work or with contractors to be entrusted with other work in future in the same site. The contractor will have to work in close co-operation and harmony with all the contractors engaged in the project. Any claim for idle labour, for any reason whatsoever, will not be entertained under any circumstances.
38. NKDA will not be held responsible for making payment against any anticipated profit and/or compensation for any losses or price escalation whatsoever for the works as stated in the annexure of this NelT. Rates should be quoted accordingly.
39. The address as furnished by the contractor shall be deemed as the postal address of this office. Any notice or instruction to be given to the contractor under the terms of contract shall be deemed to have been served if it has been delivered to his authorized agent (on the strength of authorization) or representative or sent by registered letter to his official address as furnished.
40. Arbitration clause of WBF 2911(ii) stands deleted.
41. New Town Kolkata Development Authority reserves the right to increase or decrease the quantum of work as stipulated in the schedule of work for which no change of rate will be allowed.
42. Participation in this tender deems that the applicant is fully agreeable to abide all terms and conditions as stated in this Notice Inviting e tender as well as WBF 2911(ii).
43. Mobilization advance, time / cost overrun and consequent cost escalation for any material, labour, etc. will not be allowed.
44. All materials are to be procured and supplied at site of work by the tendered /firm at his / their own cost from approved reputed dealer /

- manufacturer. Departmental materials will not be issued under any circumstances unless any such provision is made and accepted latter by both the parties. Department unless otherwise stated means New Town Kolkata Development Authority.
45. The offer shall remain valid for 180 days from the date of opening of the tender.
46. The project site is located in New Town Action Area IIB towards the North eastern part of New Town Kolkata. New Town is a planned neighborhood. The site is well connected by road through National Highway (NH) 12 that runs through Kolkata. The distance from the major city Kolkata is -40 km. The connectivity to the site from the major arterial road is within the proximity of 500m. The site is surrounded by mixed use and residential development. New Town Lake is at the proximity of 1.5 Km from the proposed site.
47. Brief Scope of work:  
Execution of the following work as instructed by and to the satisfaction of the EIC at the project site New Town, Kolkata:
- i) Inspection and detail survey of the 21 sites for preparation of working drawing.
  - ii) Preparation of working engineering drawing for the construction and installation for the implementation of the project and getting it vetted by the EIC
  - iii) Preparation of surface for the project at 21 sites
  - iv) Supply of all required material at site in due time
  - v) Setting up of appropriate foundation for the docking stations at 21 identified sites
  - vi) Erection of the docking station sheds at 21 pre-defined sites as per design and as directed by the EIC complete with all electrical fittings, fixtures and cabling work; Installation and connection of solar power generation system on the roof top of the cycle docking stations and fitting and fixing of backlit display boards with appropriate electrical connections.
  - vii) Connecting to the nearest identified and approved tapping point of power supply mains as per approved design and as directed by the EIC
  - viii) Appropriate Flooring including providing appropriate grouting/fixing /installations points for the docking structures to be set up by the shared bicycle service operator engaged by NKDA.
  - ix) Finishing with appropriate priming and painting as directed by the EIC.
  - x) Phasing of the sites will be done as per direction of the EIC

(Further Details of the work can be seen from the BOQ)

48. Evaluation Method:

**Evaluation of the bids will be made on the basis of submitted credentials The opinion of the tender inviting authority will be final on this matter.**

49. Special Condition:

- i) The cycle docking stations are meant for serving the App based public bicycle sharing (electric and non-electric) service to be operated in New Town, Kolkata. As such the design and locations have been finalized in consultation with and with proper

consideration to the needs of the operator engaged by New Town Kolkata Development Authority. As such, the selected contractor will have to construct the docking stations so that the operator can put the docking arrangements inside it. Due consideration has already been given to this requirement in the design of the stations.

- ii) The selected agency is allowed to engage sub vendors for one or more part of the work provided the credentials of such sub vendors are to be pre-approved by the EIC.
- iii) The selected agency shall remain solely responsible for the performance and/or non-performance of such sub vendors.
- iv) The tender inviting authority may take action against the selected agency for non-performance or substandard performance of the sub vendors.
- v) The decision of the EIC will be final regarding approval of the credentials of the sub vendors and for assessment of performance of the sub vendors.

50. Enclosure:

- i) Location plan.
- ii) Proposed Design.
- iii) Approved make list.

## LOCATION PLAN

Construction of 21 Nos Cycle Docking stations are proposed at various locations of New Town, Kolkata and are listed below.

STATION NO.	STREET NO.	LANDMARK
1	STREET 165	PREMISES NO. 57/ STREET 176 INTERSECTION/ TELEPHONE EXCHANGE
2	STREET 97	BEHIND CENTRAL MALL
3	STREET 97	KIRANMALA HOUSING/ STREET 124 INTERSECTION
4	STREET 104	NSRC GUEST HOUSE
5	STREET 45	UTSA GUEST HOUSE, INTERSECTION STREET 70
6	MAR 1111	NEWTOWN TEMP BUS STOP
7	STREET 21	STREET 21/ 24 INTERSECTION
8	STREET 175	STREET175/ 178 INTERSECTION
9	STREET 106	WONDERLAND PARK/AXIS MALL
10	STREET 171	STREET 171/ 184 INTERSECTION
11	STREET 240	AXIS MALL
12	STREET 206	240/175 INT (OPP PETROL PUMP)
13	STREET 254	252/2222 INTERSECTION
14	STREET 233	233/2222 INTERSECTION
15	MAR 2222	DC BLOCK
16	STREET 358	OHIO HOSPITAL, 358/3333 INTERSECTION
17	STREET 324	324/305 INTERSECTION
18	STREET 269	277/304 INTERSECTION
19	STREET 271	299/302 INTERSECTION
20	STREET 278	DA BLOCK
21	MAR 1111	IN FRONT OF MELA GROUND

The above-mentioned locations have been identified through stakeholders' consultation with NKDA, WBHIDCO and NKGSCCL

## PROPOSED DESIGN

An indicative view of a typical cycle docking station is appended below.
