Bidder is expected to make visit to this office to assess the environment and placement of computers, printers and other peripherals.

**4. List of hardware/Software:**

| Sl. No. | Hardware Component Description          | Quantity                                            |
|---------|-----------------------------------------|-----------------------------------------------------|
| 1.      | Desktop Computer                        | 170                                                 |
| 2.      | Laptop                                  | 14                                                  |
| 3.      | Laser Printer                           | 57                                                  |
| 4.      | Colour Laser Printer / High End Printer | 16                                                  |
| 5.      | Office Jet Printer                      | 20                                                  |
| 6.      | Scanner (Canon and others)              | 27                                                  |
| 7.      | Scanner (HP SJ2500 & 5000)              | 2                                                   |
| 8.      | Card Scanner                            | 1                                                   |
| 9.      | UPS (Without Battery)                   | 141                                                 |
| 10.     | Server                                  | 5                                                   |
| 11.     | Card Printer                            | 1                                                   |
| 12.     | KVM Switch                              | 2                                                   |
| 13.     | Ink Tank Printer                        | 10                                                  |
| 14.     | Photo copier Machine                    | 9                                                   |
| 15.     | IP EPABX                                | 1                                                   |
| 16.     | UPS for Server Room                     | 5 ( 3 KVA - 2 nos, 6 KVA - 3 nos and 20 KVA - 1 no) |
| 17.     | Switch                                  | 13 ( 10 nos - 48 port, 3 nos - 24 nos port)         |
| 18.     | Wireless Controller                     | 1                                                   |

**5. GENERAL TERMS AND CONDITIONS:**

- a) Proprietary Information/ Public Disclosure:

- (i) Materials submitted in response to this competitive procurement shall become the property of the New Town Kolkata Development Authority.
  - (ii) All bids received shall remain confidential until the contract, if any resulting from this tender is awarded, i.e. signed and approved by all parties. Thereafter, the bids shall be deemed public records.
- b) Taxes and Duties:
- (i) The Prices shall be inclusive of all taxes duties along with GST and indicated separately in the price Schedule. The Bidder should include GST in the cost of products/services. However, the Employer / Authority will pay to the Bidder, GST or any other tax replaced with it at the prevalent rate at the time of actual payment to the Bidder.
  - (ii) For the purpose of the contract, it is agreed that the Contract Price specified in Price schedule, is based on the taxes, duties and charges prevailing one day prior to the last date of bid submission date. If any rates of tax are increased or decreased or a new tax is introduced or an existing tax is abolished, or any change in interpretation or application of any tax occurs in the course of the performance of contract, which was or will be assessed on the bidder in connection with performance of the contract, an equitable adjustment of the contract price shall be made fully taking into account any such change by addition to the contract price or deduction therefrom as the case may be.
- c) Income Tax & GST Certificate: Attested copies of the following documents must be submitted along with the tender:
- ITR (the original of which may have to be produced by the successful bidder before the issue of the work order).
  - Valid GST Registration Certificate.
  - Valid Trade License Certificate.
- d) Discrepancies in Bid:
- In case of discrepancies in bids, the following methodology will be adopted to correct the arithmetical errors for the purposes of evaluation:
- In case of discrepancies between the original and Copies of bid, the Original bid will be considered correct.
  - In case of discrepancy between figures and words, the words will be considered correct.
  - In case of discrepancy between unit price and total price, which is obtained by multiplying the unit price and quantity, or between subtotals and the total price, the unit or subtotal prices shall prevail, and the total prices shall be corrected accordingly.
- e) Tender Acceptance and Rejection:
- Bidder must provide a response to all sections and requirements of this tender to be considered complete. Bidder's failure to comply with any part of the tender may result in the bidder's bid being disqualified for being non-responsive.
  - NKDA reserves the right to reject any tender without assigning any reason whatsoever.
  - All components in tender must qualify in technical specification. If any component fails to qualify in technical evaluation this will lead to rejection of the technical bid.
- f) Authorized Representatives:
- Any action required or permitted to be taken, and any documents required or permitted to be executed under this contract by the NKDA or the bidder may be taken or executed by the officials authorized for this purpose.
- g) Bid Evaluation Process:
- a) **Earnest Money Deposit:** Rs.20,000.00 (Rupees Twenty thousand only) as an initial Earnest Money Deposit shall be paid through online mode of payment (Payment link will be available in the e-Tender Website). This amount will be converted to security deposit for the successful bidder.

The EMD for the successful Bidder will be converted to Security Deposit and additional amount of 8% will be deducted towards Security Deposit from each running bill. Such deducted total amount will be refunded after 3 months of completion of the work. No interest shall be payable on the deducted amount.

- b) **Bid Security/ Earnest Money Deposit:** Only bidders who have submitted the Bid Security/ Earnest Money Deposit shall be considered for further evaluation subsequently, a single step two-stage bidding procedure will be used for the evaluation. Under this process, the technical bid will be opened and evaluated prior to opening and evaluating the financial bid.
- c) **Preliminary examination of bids:**
- a) NKDA will examine both the bids to determine whether they are complete, whether any computation errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.
  - b) Arithmetical errors will be rectified on the following basis. If there is a discrepancy between words and figures, the amount in words will prevail and the bid shall stand corrected to that effect. If the bidder does not accept the correction of errors, its bid will be rejected and its earnest money will be forfeited. NKDA may waive any minor infirmity or non-conformity or irregularity in a bid, which does not constitute a material deviation, provided such a waiver does not prejudice or affect the relative ranking of any bidder.
  - c) Prior to the detailed evaluation, the selection committee will determine the substantial responsiveness of each bid to the bidding documents. For purposes of these clauses, a substantially responsive bid is one, which conforms to all the terms and conditions of the bidding documents without material deviations. Deviations from or objections or reservations to critical provisions such as those concerning performance security, warranty, applicable law and taxes and duties will be deemed to be a material deviation. NKDA's determination of the responsiveness of a bid will be based on the contents of the bid itself without recourse to extrinsic evidence.
  - d) If a bid is not substantially responsive, it will be rejected by the NKDA and may not subsequently be made responsive by the bidder by correction of the nonconformity or through clarifications.  
At the end of this stage, the NKDA will agree on:
    - Those bids which should not be considered for further evaluation.
    - Any clarification that should be requested from qualified bidders.
- d) **Examination of short listed Technical bids:**  
The short-listed technical bids shall be examined for completeness and clarifications if any shall be sought for from the respective bidders in case the same is considered essential.
- e) **Examination of Financial Bids:** NKDA will determine whether the financial Bids are complete, i.e. whether the bidder has included all components as per the tender documents. All price bids shall include all taxes, etc. No assumptions shall be allowed and the financial bid should be complete in all respects.
- f) If any tenderer fails to produce the hard copies of the documents (especially Completion Certificates, audited balance sheets or any document which is vital for his eligibility), or any other documents within the specified time frame stated above or if any deviation is detected in the hard copies from the uploaded soft copies or if there is any suppression of fact during any time of the tendering process or even after the issuance of work order, the tenderer will be suspended from participating in the tenders on e-Tender platform for a 2 (two) years. Additionally, the EMD submitted by the bidder shall be forfeited by the Tender Inviting Authority without assigning any reasons to the bidder.
- h) **Award of Contract:**  
The Method of selection will be Least Cost Selection (LCS) Method. The client/ Authority will select the Bidder with the lowest evaluated total price and rank the Bidders accordingly.
- i) **Payment:**

Payment will only be made in Indian Rupee (INR). No advance payment shall be made for this project. Payments shall be made on quarterly basis with call report and preventive maintenance report.

j) **Other Terms & Conditions:**

i. **Obligation to Contract:**

This Tender does not obligate the New Town Kolkata Development Authority to contract for service(s) specified herein. New Town Kolkata Development Authority also reserves the right to cancel or to reissue the tender in whole or in part, prior to execution of a contract.

ii. **Bid Rejections:**

New Town Kolkata Development Authority will make the sole determination of clarity and completeness in the response to any of the provisions in this Tender. New Town Kolkata Development Authority reserves the right to seek clarification, additional information and materials in any form relating to any or all provisions or conditions of this Tender. New Town Kolkata Development Authority reserves the right to accept or reject any or all of the bids submitted in response to this Tender.

k) **Governing Laws:**

This Tender Document and the contract shall be governed by and interpreted in accordance with laws in force in India. High Court at Calcutta shall have exclusive jurisdiction in all matters arising under the contract.

l) **Termination of Contract/ Work Order:** The authority may terminate the contract/work order due to the following reasons.

- i) Poor Progress of work.
- ii) Poor Quality of work.
- iii) Adoption of any unfair means during execution of work.
- iv) Violation/Non-compliance of any instructions of the authority.

For termination of the contract/work, the authority will issue a 15 days' notice to the bidder to make up the discrepancy/shortfall of the work as instructed by the authority, failing which the contract/work order will be terminated with forfeiture of E.M.D., S.D., etc.

m) **Defect liability period** starts from the date of completion of the work and release of Security Money (10% of the contract value) will be released as already specified.

n) **Termination of contract for default:**

New Town Kolkata Development Authority, without prejudice to any other remedy available for breach of contract, may terminate the contract in whole by a thirty (30) days' notice in writing to the bidder in the event of any one or all of the following:

- i. If the bidder fails to provide any one or all services as per this contract, and fails to set right the disruption in service within the thirty (30) days' notice period or show a valid reason to the New Town Kolkata Development Authority for the lapse.
- ii. If the bidder has engaged in corrupt or fraudulent practices in executing the contract.

o) **Provisions for Unsatisfactory Services:**

If services of bidder are not found satisfactory, at any stage during the period of contract, in such situations the bidder shall be bound to remove the deficiencies at its own cost within the time period fixed by the New Town Kolkata Development Authority. In case the bidder is not able to remove and rectify the deficiencies within the given time period, the New Town Kolkata Development Authority will be competent to make alternative arrangements of the services at the risk and cost of the bidder and the costs so incurred shall be deducted from the due amount payable to the bidder.
